Reflections On Route '68...The Journal Of A Year

Foreword

Reflections on Route '68 is the journal of a trip through the year 1968 at Okmulgee High School. The directions we took as a student body and the paths we walked as individuals are reflected in our faces, our attitudes, and will be—in our futures.

They were routes to conflict, to success, to happiness, and to honor. Of course, the main highway led to learning. Academic signposts dotted the course, with detours leading to football games, dances, school sponsored trips and club meetings.

When we reach the end of this road, we see that it leads in many directions, for after students leave Okmulgee High School, they will travel many roads to success, never forgetting that part of the road called Route '68.

Students spend six hours each school day working together in classes. These classes provide hours of first rate opportunities which enable students to learn new ideas, to question tradition, and to make decisions.

O.H.S. has as its aim the provision of opportunities for each student, limited only by his capacity to learn or his desire to participate.

The students' goals provide incentives for their progress, for which Okmulgee High School provides diversified classes, trained personnel, and a guiding hand.

Route '68...

Okmulgee High School has proudly served the citizens of Okmulgee for over sixty years, educating their sons and daughters to accept challenges, fulfill promises, and discover answers.

Well-qualified teachers have paved Route '68 with understanding, and encouraged individual expression and group discussion. Outstanding counselors and administrators have given their time and effort to help each student overcome obstacles in his path.

THE FIGHTING

Through the years at Okmulkee High, a tradition has developed—the annual Homecoming. An anticipated and cherished moment to every student of Okmulkee High, it is a memory-making time for the present students, and a time of remembering for earlier travelers on the route through O.H.S. Homecoming is truly a "coming home" for all the alumni of O.H.S.

Decorations for Homecoming, a pep rally, the traditional parade, and the thrill of a football victory reigned over by our lovely queen, make our memories of Homecoming.

Festivities of the day reach a climax as the Homecoming Queen is crowned by the football captain.

Completing a perfect Homecoming, a Bulldog victory!

ADMINISTRATION & FACULTY

Members of the School Board are the following: standing left to right-John H. Barksdale, Alvin Wiggs, James R. Frazier, DeRuse Cooper, and Clell Warriner. Seated - Roy LeBlanc, Carlisle Mabrey, president; and Earl Buchanan.

Traditionally, in keeping with the public will, school boards serving our city schools have dedicated themselves to the task of offering the best possible school program for the children and youth of the community. Our superintendent and school board are continually trying to improve the instructional staff, equipment, and supplies, better the physical plants, and improve the educational services of Okmulgee's elementary and secondary schools.

They work diligently toward their goal, which is to make this school an institution of opportunities for the students who attend it. Ever willing and eager to make improvements, they are striving to promote scholarship, citizenship, and service.

Mr. House Guides And Directs

The responsibilities of Okmulgee High School rest on the shoulders of Richard M. House, principal. Striving to keep O.H.S. a school which gives all students a balanced program, Mr. House must be conscious of the needs and problems of both students and faculty. Working with members of the community, he must be able to establish rapport between the town and school.

Miss Rena Gionta, O.H.S.'s efficient registrar, is invaluable to our school. Miss Rosalie Gillum, secretary, assists Miss Gionta.

Counselors . . . Our Guideposts Along Route '68

Life is a funny game. Some days the world looks rosy; everything is just wonderful. On other days the world looks dark to the student; it seems that everyone has turned against him.

Helping students to adjust both mentally and emotionally is a task which requires much of our counselors, but they accept the challenge willingly.

Mr. I. D. Henry, our guidance counselor, is a man devoted to his job and always eager to do whatever he can to make life a little less complicated for the students.

Mrs. Anna B. Turner, dean of girls, and Mr. Melvin Skelton, dean of boys, cope with problems of a somewhat different nature. Their job is to discipline and instruct students in proper behavior, dress, and manners.

All three try to direct the students to better and more rewarding routes.

The teachers of Okmulgee High School are well equipped and dedicated. They have spent years preparing for their profession and now spend hours preparing for classes. Without their aid and instruction, Okmulgee High School could not exist. Their willingness to help, their insight into students' problems, and their good will toward each other and their classes are essential to this well-run school.

SENIORS

Seniors. . . Take The Lead Accept Responsibility Carry The Torch Of Wisdom

Senior class officers, Connie Bane, secretary, Ronnie Mathis, president; and Linda Rhodes, vice-president; proudly led their class in its final route at OHS

We, this year's seniors, will often recall Route '68. This has been the big year. Soon we will be walking into a larger and more complicated world. Each of us will face new problems, make new friends, go to new places, and lead new lives. We will face the future with the knowledge and confidence instilled in us by our teachers and friends at Okmulgee High School

For twelve years we have climbed a step at a time toward graduation. Since we entered the seventh grade, we have grown in knowledge, faced disappointments, and enjoyed successes. We remember our first year at O.H.S., and we will not forget our last

Juniors . . . A Play A Ring A Memorable Year

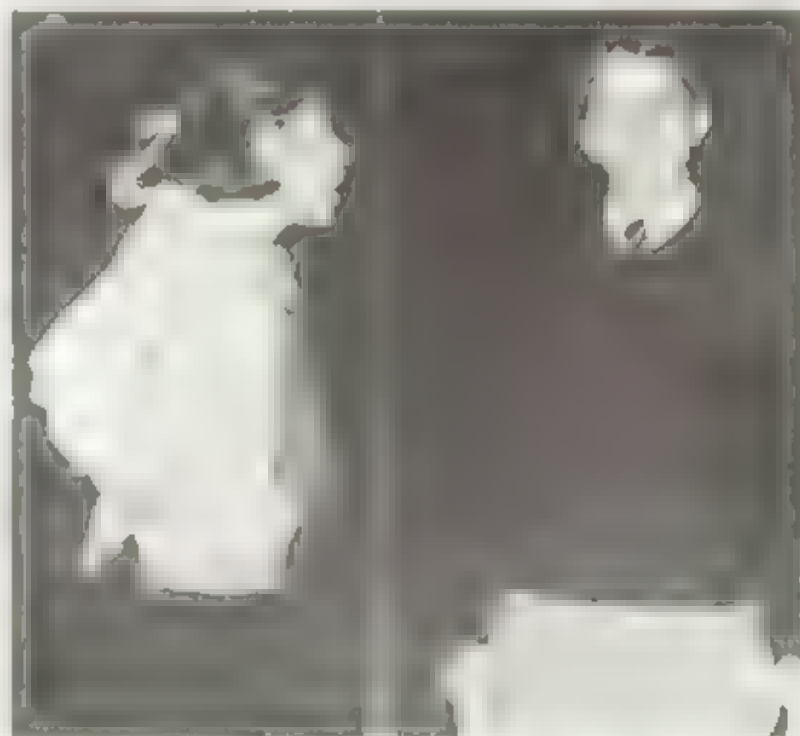

A junior's world is a variety of many thrilling events and activities. His days are filled with happenings, both happy and sad, that will long remain his fondest memories.

Striving for recognition, he gave his all to building the 'Okmulgee Seal,' his float entry in the homecoming parade.

He planned and presented "Cheaper By The Dozen" with the aid of class sponsors.

He used his ingenuity and creativeness in his plans for the junior-senior banquet.

Receiving his senior ring and later accepting the torch of learning are his last two official acts as a junior. His pride and determination will allow him to meet these and other responsibilities and challenges that lay ahead of him.

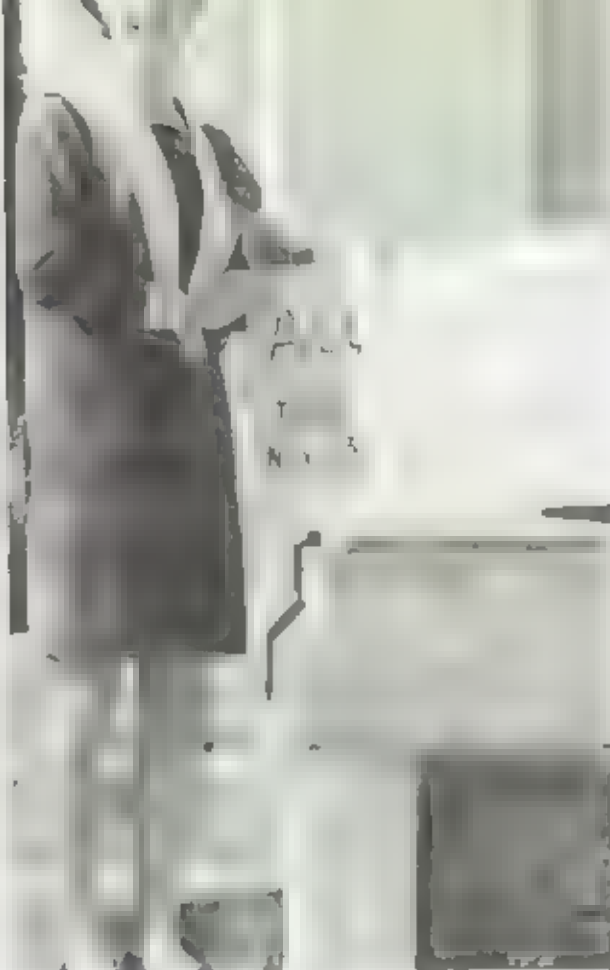

This scene from the Junior Play is a typical one demonstrating brother and sisterly love between Margaret Burd and Richard Bryant.

Sophomores Express Pride In O.H.S.

Full of anticipation and eager to begin their first year as senior high students, the sophomores embarked on Route '68.

They uncovered the wonders of nature in biology class, learned skill and coordination in driver's education, and deepened their mathematical skills in geometry.

The sophomores took on more responsibilities and in turn were given more freedom of choice in scheduling their classes.

Pausing for a minute from their busy schedules are sophomore officers Rusty Milroy, president and Bobby Butler, secretary. Not pictured is Danny Reese, vice-president.

Freshmen

The Freshmen approached their last year of junior high with anticipation and apprehension. Setting examples for seventh and eighth graders and leading and directing them in student council was only one of their newly-acquired responsibilities.

Making decisions concerning class choice and ninth grade activities prepared them for the many challenges facing them throughout the year.

FRESHMAN OFFICERS, Randy Streight, vice-president; Steve Langdon, president; and Colleen Carney, secretary; pause together for a moment to talk over plans for their class.

Pat Bell, student council president, addresses the student body preceding an assembly.

The Student Council is one organization at Okmulgee High School that prepares its members to meet the responsibilities and problems that they will soon be facing as they step out into the world as tomorrow's leaders and lawmakers.

Students in the council have the responsibility of representing their classmates in the proper government of the student body and in the improvement of the school as a whole. The officers of the 1967-'68 council attended a student council convention at Central State College in Edmond, Oklahoma for one week to learn more about effective student councils.

The O.H.S. marching band, under the direction of Floyd Moyer, has this year displayed the precision marching and harmonious playing in the contests which the bandmen entered and the concerts which they gave. Eight bandmen were nominated for All-State, and all members made the All-District Band.

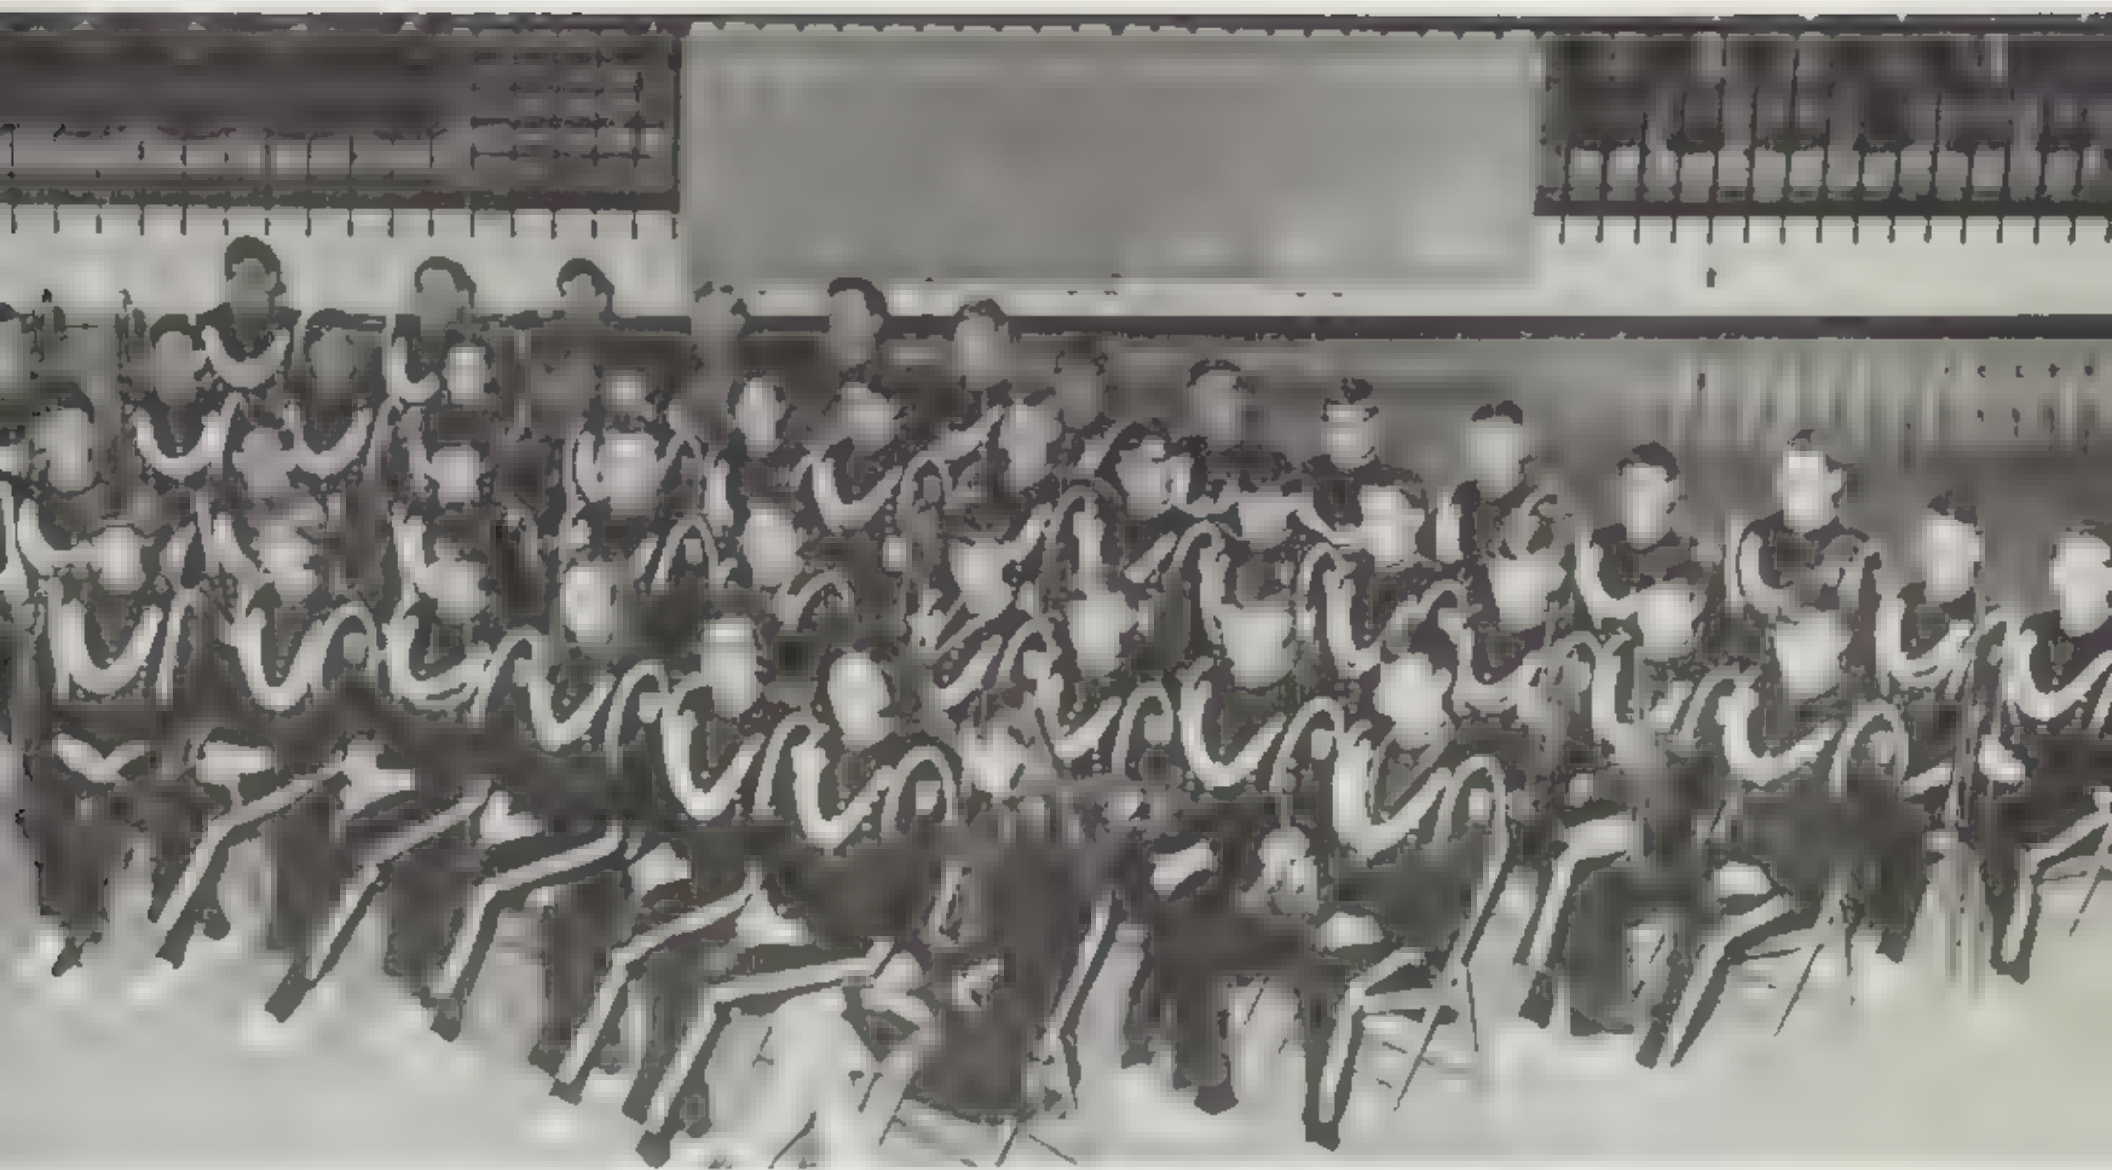

The band was honored to be the official band of the Oklahoma delegation at the International Lions Club meeting held in Chicago this past summer. The pride of Okmulgee spent five days in Chicago playing, marching, and sightseeing.

Playing at all home football and basketball games, the band also traveled to three out-of-town football games.

Entertaining Tulsa University fans during the halftime activities of the T.U.—Tampa U. game was a highlight of the year.

Getting together for an early practice session are Peggy Simms, Yolanda Simms, Patti Boguski, Jan Scott, Niles McCarty, Lee Riker, Tom Chapman, and Ann Baldischwiler.

Pep Club Follows Bulldogs To State Playoffs

The O.H.S. pep club and drill team support our school, its teams, and its image. By promoting school spirit and school loyalty, the pep club fulfills an important function.

The girls have been active in many projects this year: candy sales, pom pom sales, helping plan the homecoming parade and coronation, and boosting school spirit at pep assemblies.

By marching with the band part time and doing a dance routine, the drill team has established itself in our community.

Officers of the Pep club are the following: Left to right, Marilyn Martin, secretary; Tera Goodno, reporter; Jenny Rucker, treasurer; Cynthia Taylor, president; and Debbie Thompson, vice-president.

Bell, Ballard Selected to All-State Team

Halfback Terry Ballard and defensive end Pat Bell were among the 25 players picked to represent the north in the all-state game

Ballard chalked up 19 touchdowns his senior year. He also had 2,079 total offensive yards, with 1,199 of those coming from rushing

Bell captained the '67 Bulldogs. At his end position he thwarted many end sweeps and also proved outstanding at offensive center

Hard work and an entire team effort can best sum up the 1967 Okmulgee Bulldog football season. Finishing with a 9-1-2 record, including a berth in the state finals, the Canines proved that desire and determination will bring success.

Opening the season with a 7-7 tie with McAlester, the Bulldogs came on strong, lashing Bixby 42-0 and arch rival, Henryetta, 26-0. The Dogs next game was billed as the key to the conference championship. Broken Arrow came to play and knotted the bulldogs 28-28. However, the Dogs won the game with a 6-5 penetration edge.

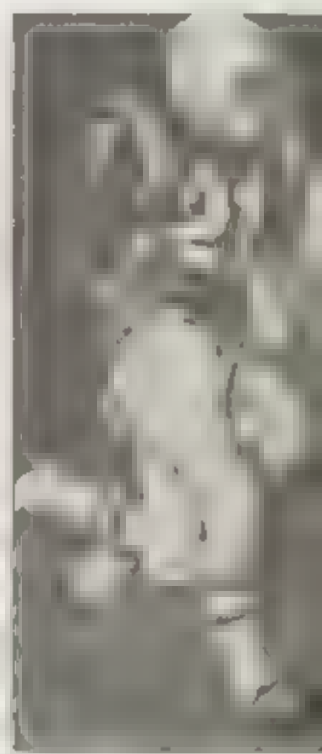

The following week came a little easier for the Canines, as they rolled over Tahlequah 42-6. A strong Miami team fell 21-0. Claremore became the sixth casualty by a score 27-0. The Bulldogs laid the carpet for the Seminole Chieftans, defeating them 42-6. Six Lakes foe Pryor fought gamely, but lost, 20-0. This victory propelled the Dogs into the number one spot in AA ratings. The regular season ended with a hard-earned 14-0 decision over Sand Springs.

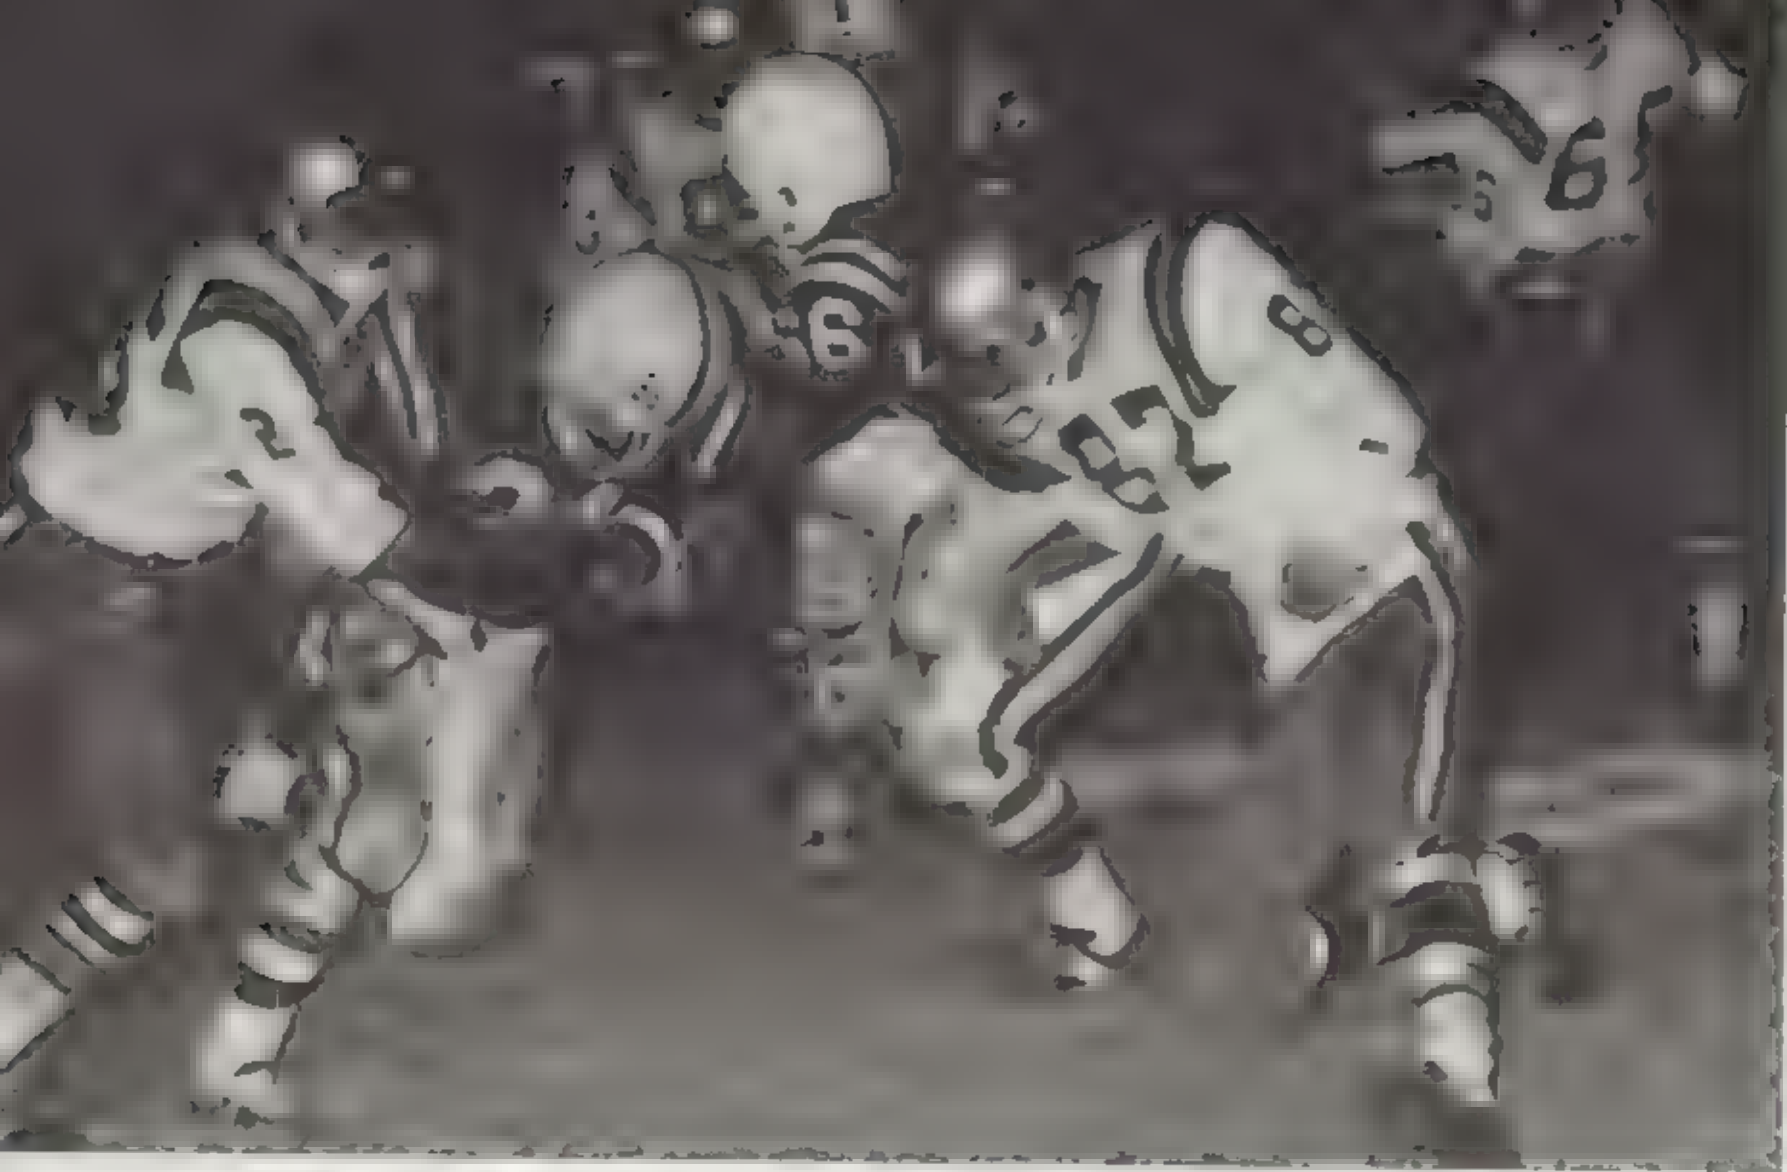

With the Six Lakes Conference Championship under their belt, the Bulldogs had one more opportunity to even things up with McAlester. The Canines exhibited the qualities of a number one team and corralled the Buffaloes 24-7 in the state semi-finals.

The Bulldogs hit the stumbling block in the finals, losing to Stillwater 7-15. They closed the '67 campaign being declared state runner-up.

Dogs Capture Two Tournament Titles

With only four days of practice before they opened their initial cage season the Bulldogs were not expected to reign as a state power. However, Coach Carl Scott and his determined cagers were out to prove differently, and they did just that.

The Bulldogs rolled up five straight victories before losing to Pryor. Included in the five straight was the capture of the Tahlequah Invitational Tournament, where the Dogs made Boynton, Bartlesville Sooner, and Taft their victims.

Miami tripped the Dogs after the Christmas vacation; then the tide turned for the Bulldogs. After this loss the team reeled off 13 straight wins during the regular season. This rash of victories propelled the Canines to the number two position in state ratings.

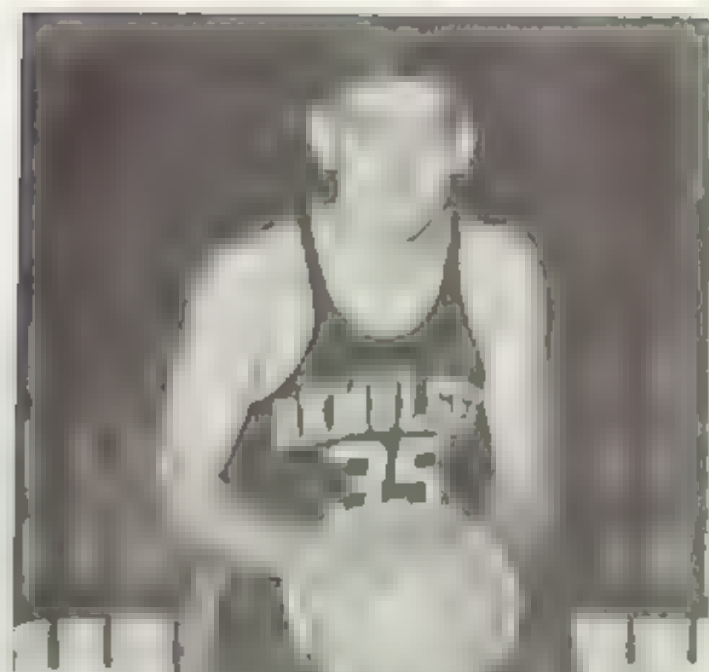

The Bulldogs' list of thirteen casualties included Bristow, Sand Springs, Broken Arrow, Tahlequah, Pryor, and Sapulpa. Every team except Pryor and Miami bit the dust twice to the Canines.

Our minds will always wander back
To those fond days of the red and black.
Route '68 holds a memory
Of classes, games, and victory.

'Cheaper By The Dozen' was the Junior Play.
Jill reigned as queen on Homecoming Day.
The band won a contest over at Pryor.
We're No. 1 was the constant cry here

'Flower Power' was the theme
Of Finley's Follies choral scheme
The chorus produced five all-staters.
Mr. Hudson won trophies with his debaters.

Remember the styles, wild fashions and fads...
And report card day making trouble with Dad
The morning announcements, a daily thing...
The pride of wearing a senior ring.

The USO show — What a treat!
Then going to State and suffering defeat.
'Twas all a part of Route '68,
The year we'll always remember as great.

The Yearbook Staff

Torchlight Staff Says Thanks To You

The 1968 Torchlight Staff has set aside this page in appreciation of all those who have worked with us this year in the preparation of our yearbook.

We would like to thank Mr. Jeff Davis for taking our class pictures, Mr. R V Longworth our photographer for the long hours he spent taking and developing pictures for us, Mr. Clifford Rutch and his printing boys for setting type making proofs and headlines, the Okmulgee businessmen for supporting us with their advertisements, the Okmulgee Daily Times, and George Smith, American Yearbook representative, for his time and help.

Also a special thanks goes to Mrs. Katheryn Kurtz, our yearbook advisor. We just couldn't have done it without her.

Last of all, we wish to thank all of you who bought a '68 Torchlight. As you thumb through its pages we hope it will bring back many memories of the year and your trip along Route '68

Richard,

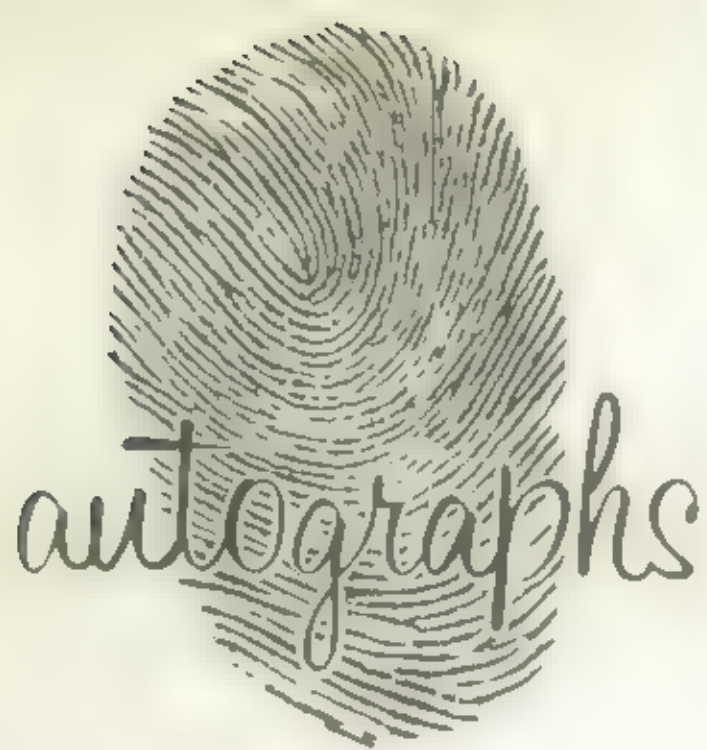

When one has
reasoned out the plan
but what I plan to
do is, getting releasing
to me. So I will
hang you well in the
and I will be that well
in a release. I have
can take the time and
take it as it comes

For I just see for
you are in a very
I am a man
you are in success in life
in your singing and
in your hand you are
to know that you are
quite.
